

JOHN R. LIEGEY
Co-CEO, Co-CIO, DIRECTOR & Co-FOUNDER
WESTON INTERNATIONAL CAPITAL LIMITED

John R. Liegey began his career at Merrill Lynch & Co. in 1977 after graduating from Georgetown University in Washington, DC with a Bachelor of Arts Degree in International Economics (C'77). In 1979, he was promoted to Vice President-Capital Markets, Merrill Lynch Pierce, Fenner and Smith Inc. where he had responsibility for all Latin American fixed income sales and trading.

He joined William E. Pollack Government Securities Inc. in 1982 as a Managing Director with responsibility for the firm's global trading of US Government Securities, money markets and emerging market securities and loans. While at Pollack, he was a pioneer in the beginnings of the Latin American loan trading and asset swapping market. In 1984, he joined Dean Witter Reynolds Inc. as a Managing Director to head up its global fixed income sales and trading division.

At the age of 30, he was appointed President and Chief Operating Officer of Dean Witter Capital Markets International Limited and was transferred to London to oversee the firm's international investment banking, underwriting, and sales and trading activities. He managed a staff of 3000 professionals in nine offices and six countries. In 1989, Mr. Liegey resigned from Dean Witter to form The Weston Group LLC, an emerging markets investment bank and brokerage firm specialising in Latin America. Mr. Liegey was the US Regional Director for the Association of International Bond Dealers from 1985 to 1989.

Mr. Liegey is the Co-CEO, Co-CIO, Director & Founder of Weston International Capital (Mauritius) Limited ("WICML") and Weston Capital Partners Limited ("WCPL"), both Private Investment Companies based in the Republic of Mauritius. Mr. Liegey utilizes a highly analytical investment approach for special situations, debt and litigation claim investing and complex restructurings that emphasize long term value creation. He seeks to deliver results to WICML and WCPL shareholders through rigorous credit research and litigation analysis, expansive global macro insights, and a multi-industry focus.

In addition, Mr. Liegey is widely known for managing distressed Emerging Markets currency and credit and litigation strategies through multiple economic financial crises, including the Latin America financial crises (1982, 1987 and 1995), the Asia financial crisis (1997 to 1998), the Russia devaluation and default (1998), the Brazil devaluation (1999), the Argentina default (2001), and the Great Recession (2008).

Mr. Liegey is the Co-Founder, Co-Chief Investment Officer, and Co-Chief Executive Officer of WICML and WICL subsidiary companies, directing investment and litigation claims strategies for all WICML, WICL and WCPL portfolio company assets.
